

EYRE MEDICAL PRACTICE

TRAVEL ADVICE REQUEST FORM

Travel requests will only be considered with a minimum of 8 weeks notice

If you are due to travel **within the next 8 weeks** you should contact a Travel Clinic (see attached sheet) as the practice is unable to provide this service due to the short time allowed. For general travel health information on your destination(s), you may find it helpful to visit www.fitfortravel.nhs.uk

Please complete and return the form to the practice. You should then make a 20 minute appointment for approximately 3 weeks later with a Practice Nurse.
